Neurodiverse Adventures – The Neurokin Community

1. Introduction

The Neurokin Community is an online, neuroaffirming, community-led space facilitated by Amanda Maguire through Neurodiverse Adventures.

By purchasing a Neurokin Community membership, you agree to the terms set out below. These terms are intended to provide clarity, fairness, and shared understanding for all members.

2. Membership Options

The Neurokin Community is offered as:

- £15 introductory month (one-time option)
- £25 monthly membership (rolling)
- £270 yearly membership (10% saving)

Membership provides access to live online sessions, community activities, and related materials during your active membership period.

All sessions and activities are optional.

3. Payments and Renewal

Introductory Month

The £15 introductory month provides access for the current month only and does not automatically renew.

If you wish to continue, you will need to purchase the £25 monthly membership separately.

Monthly Membership

The £25 membership renews each month automatically unless cancelled before the next billing date.

Yearly Membership

The £270 yearly membership provides access for 12 months from the date of purchase, and you will be notified in advance of renewal.

You are responsible for managing cancellations before your renewal date.

4. Cooling-Off Period and Digital Access

Under UK consumer law, you have the right to cancel your membership within 14 days of purchase.

If you cancel within 14 days and have not attended any live sessions or accessed member-only materials, you will receive a full refund.

If you cancel within 14 days of attending a live session or accessing member-only materials, a pro rata amount may be deducted to reflect the services already provided.

After 14 days, standard cancellation terms apply, and refunds are not provided for the current billing period.

By purchasing, you agree that your membership and access to the community begin immediately.

5. Cancellation

You may cancel your monthly or yearly membership at any time before the next billing cycle.

Cancellation stops future payments but does not provide a refund for the current billing period.

Access continues until the end of the paid period.

6. Community Conduct and Respect

The Neurokin Community is built on:

- Respect
- Consent
- Confidentiality
- Shared responsibility

Members agree:

- Not to record or take pictures in sessions without explicit permission
- Not to share Zoom links or community materials
- Not to share personal information about other members outside the community without their consent
- To engage respectfully and without discriminatory or harmful behaviour

Neurodiverse Adventures reserves the right to suspend or terminate membership where community safety is compromised.

7. Confidentiality and Safeguarding

All members are expected to maintain confidentiality within the community.

If there is a serious concern that a member may be at risk of harm or may pose a risk to others, appropriate safeguarding steps may be taken. Where possible, consent will be sought before sharing information, unless there is a significant risk.

8. Intellectual Property

All materials provided within the Neurokin Community remain the intellectual property of Neurodiverse Adventures.

Materials may not be reproduced, recorded, distributed, or shared without written permission.

9. Service Changes

Neurodiverse Adventures may:

- Adjust session times
- Modify session formats
- Evolve community activities

Members will be informed of significant changes where appropriate.

10. Data Protection

Neurodiverse Adventures follows UK GDPR principles.

Personal data will not be shared with third parties without consent, unless required by law.

Members may request changes to communication preferences at any time.

11. Liability

Neurodiverse Adventures is not liable for:

- Technical issues outside reasonable control
- Internet connectivity problems
- Platform outages
- Events beyond reasonable control (force majeure)

Nothing in these terms limits or excludes liability where it would be unlawful to do so.

12. General Provisions

Failure to enforce any provision of these terms does not constitute a waiver of rights.

Any provisions intended to survive termination will remain in effect.

By purchasing a membership, you confirm that you have read, understood, and agreed to these Terms and Conditions. These Terms and Conditions are governed by the laws of England and Wales.
